## **Fox Valley Habitat Women Build**

**May 9, 10, 11, 2019**

**When great women come  
together, even greater  
things happen.**

## 2019 Fox Valley Habitat Women Build

Habitat's Women Build Volunteers come together from all walks of life to build stronger and safer communities. Women and children make up the majority of people populating Habitat neighborhoods, as they are the most likely to be affected by poor living conditions. Women Build events provide the opportunity for women to take a proactive step in serving their communities.

### What is the Women Build Program?

Women Build is a Habitat for Humanity International Program that encourages women to make a huge difference by building homes and communities. The program seeks to encourage women volunteers to further the home-building mission of Habitat for Humanity. Since the first Women Build in 1998, women have helped to construct 2,225 homes around the world!

### How can I get involved with WB Program?

Fox Valley Habitat Women Build will be held May 9, 10, 11, 2019. Women Build is a fundraising event that helps benefit the homes of our partnering families.

All Women Build participants are asked to raise \$250 (per day that you want to volunteer) to cover the cost of the building materials that will be used for the event. You can also register as **Teams**. Teams must be at least 6 people (no more than 6) with the total fundraising goal of \$1,500 (\$250 per person).

You can earn great incentive prizes as you fundraise! It's easy to achieve and we'll show you how!

The best part is feeling the satisfaction of knowing that you were a vital part of helping build a home for a deserving family.

**Want to be a Women Build Sponsor?**

**Different sponsorship levels available!**

**Just ask us how you can be involved!**

### How do I register for the event?

Space is limited to only **20 women per day**, so secure a spot early for one of the build days. Registering early gives you more time between now and the event to recruit others to join you and also you will have plenty of time to make or surpass your fundraising goal!

You don't want to miss out on this very rewarding experience! Reserve your spot today by using this link:
