### First Responder Memorial

A groundbreaking ceremony was held on May 21<sup>st</sup>, 2020 for the Oswego First Responder Memorial. Local resident, Logan Goodbred designed and created the Memorial as part of his process in becoming an Eagle Scout. The Memorial is intended to honor and recognize local first responders for their service to the community.

Logan has partnered with the Oswego Fire Protection District, Oswego Police Department, and the Village of Oswego for support in fundraising and in-kind contributions of goods and services, focusing on "green" and sustainable materials.

Pictured above from left to right is Oswego Fire Protection District Chief Mike Veseling, Oswego Fire Protection District Board President Richard Kuhn, Boy Scout Logan Goodbred, Oswego President Troy Parlier and Oswego Police Chief Jeff Burgner. The small ceremony was held on the future site of the Memorial, the grassy area between the fire and police departments at the Oswego Public Safety Campus on Woolley Road.

The Memorial will entail a 350-400 square foot brick patio area, with statues, plaques and flags surrounded by a natural landscaping. If you are interested in making a donation of \$30 for a personalized brick that will make up the foundation for this memorial, simply place your order at:

### Incidents of Unrest

As you may know, there have been incidents of unrest in neighboring communities this week. Oswego Police have been working with law enforcement agencies in surrounding communities to monitor protests and the potential for rioting. Fortunately, there have been no credible threats here in Oswego.

Should we learn of any potential threats to our community, as always, we would notify our residents. You can sign up for email alerts from the Village of Oswego at: <http://www.oswegoil.org/resident-information/newcomers/sign-up-for-newsletter.aspx>. Additionally, information would be posted to the Village website, [www.oswegoil.org/](http://www.oswegoil.org/), and to our Facebook and Twitter accounts. Do not rely on rumored information. If you have questions, please do not hesitate to call us for assistance.

### Weekly Community Care-avans

With the Stay at Home order now relaxing across the state, the Village of Oswego conducted its final Care-avan on Friday, May 29<sup>th</sup>. The weekly Friday afternoon caravans consisted of vehicles from Oswego's Police and Fire Departments, Public Works Department, as well as from the Oswego 308 School District. It was our pleasure to connect with Oswego residents and show support for our community and our essential workers.

We would like to thank everyone who stepped outside of their homes to participate these events. It was inspiring and humbling to feel the love and gratitude returned to us by our residents throughout the caravan routes.

While we have concluded the care-avans, we would like to encourage everyone to continue social distancing, wearing face masks, keeping up with hand washing, and continuing to look out for one another. We are all in this together!
